

PREPARING TO TREAT INSIDE FOR ROACHES

A. Before Treatment:

1. Completely empty and cover **ALL** items in cupboards and drawers in kitchen and bathrooms and place on table or in another room. Remove **ALL** items from closets and place in middle of floor or on bed and cover.
2. Wipe out, clean and disinfect cupboards 2 days before treatment.
3. Move furniture and any other items a foot away from walls.
4. Remove or cover all children's toys, bottles, etc.
5. Remove all pets: dogs, cats, birds, reptiles etc.
6. Cover fish tanks and turn off pump.
7. Close all windows and doors and lock everything up.

B. During Treatment:

1. Vacate premises and remain outside for **FOUR** hours after treatment.
2. Take all valuables with you when you leave.

C. After Treatment:

1. Open windows and doors and turn on fans.
2. Allow spray to dry **completely** before putting food in cupboards.
3. When it is **dry**, then **sweep** or **vacuum** up dead roaches.
4. **DO NOT WIPE COUNTERS/CABINETS, OR MOP FLOORS FOR AS LONG AS POSSIBLE AFTER TREATMENT. SPOT MOP/CLEAN ONLY AS NEEDED.**
5. Allow **minimum two weeks** for treatment to work.
6. Any questions, please call Dynamite Exterminators at 578-BUGS (2847).

D. Appointment is on: _____ **at:** _____

E. Rescheduling:

1. If you have gone through the **Before Treatment** steps and Dynamite Exterminators is unable to keep your appointment, you will be given a \$20.00 credit.
